[Visit our website](#)

[CIS Division](#) of protective services and private investigations was founded on years of experience in local security, state and federal law enforcement, and military security. We are dedicated to meeting and exceeding your expectations for all of your private security and private investigation needs. All of our staff has a background in law enforcement or the military and are licensed by the State of Ohio Department of Public Safety (PISGS). (614) 800-7189

We have professionally trained and licensed guards who will give you peace of mind while remaining cost effective. We guarantee competitive rates as we maintain a high quality standard while providing security services for you, your family, or your business. We also have numerous years of investigative experience dealing with sensitive cases and providing you or your legal counsel with the most accurate information.
